	Total	80

Revised Schedule of Events:

Event	Revised Target Date
Last Date for submission of Bids	05-01-10 Till 03.00PM
Opening of Pre-qualification Bids.	05-01-10 By 04.00 PM
Evaluation of Pre-qualification bids and notification to bidders qualifying pre-qualifying round	05-01-10 By 05.00 PM
Opening of Technical bids	06-01-10 Time- 12.00 Noon
Presentation on Technical bid by short-listed bidders, if required.	07-01-10 Time- 12 Noon onwards
Declaration of short-list of bidders for commercial bid.	11-01-10 Time - 12 Noon
Opening of commercial bids.	11-01-10 By 01.00 PM.

Director

Public Instructions, Chhattisgarh.

Clarifications on the queries provided in the Pre-Bid Conference on 08-9-2009.

S.No	Name of the firm	Query page No.	Clause no/paragraph	Clarification/changes sought	DPI'S clarification
1	HCL Infosys Ltd.	90	Configuration of computer.	1. 18.5wide TFT monitor in place of 17" TFT monitor for better visual area and having TCO 03 certification and monitor should be of same make as PC to ensure the quality.	Suggestion Not accepted.
2		90	Para -4	<i>Shared technology /or equivalent technology:</i> 1. Please confirm whether this option can be offered by the bidder during the bidding or will department specify and benchmark specification, 2. In such case there should be dedicated server required to cater client systems. So please confirm the specification of server.	Clarified in point no.43 of Corrigendum.
3		91	software	. 1. No quality criteria defined for the hardware equipments. <i>a)The proposed specification computer must be sourced from hardware manufacturer who has minimum 5% of Indian computer hardware market as per the latest IDC report.</i> <i>b)Also the equipment manufacture of computer systems should have valid ISO 9001 and 14001 certification.</i>	. Not Accepted. The bidder only has to arrange the hardware
4	Sanmedia Limited	Page-7	S.No 2	Many ICT and SSA projects have been	Not Accepted.

				<p>floated for computerization of schools. It should also be considered for evaluation. The bidder can be an established company dealing with computerization of schools. Kindly consider it along with computer education and computer aided education.</p>	
5		Page 8, sec-1	S.No 8- EMD	<p>Kindly allow bank guarantee as an option for Demand Draft so that the bidders have flexibility in arranging for the EMD. Bank guarantee holds the same commitment from the organization. kindly allow.</p>	Not Accepted.
6		Page 8 sec-1	S.No.-4	<p>This is an ICT project for schools. The bidder should have experience in providing training to ICT in charges/teachers for at least one state during last three years so that the experience is relevant to the requirement of the dept. kindly consider.</p>	Suggestion not accepted
7			S.No-7	<p>This is an ICT project for schools. The bidder must have on its rolls at least 50 technically qualified professionals with experience of handling ICT projects for Govt. schools so that the experience is relevant to the requirement of the dept. Kindly consider.</p>	Not Accepted
8		Page 11	Objective of the project (last 2 lines)	<p>Does this imply that the bidder has to provide a content authoring software. Kindly clarify.</p>	Yes, content authoring software licensed to be used by the DPI is to be developed by bidder.
9		Page 13	Design of comp. lab (point no. 1)	<p>Please clarify on the detailed scope of civil work. Whether the lab needs to be altered with</p>	No flooring work required, other Civil, Mechanical and Electrical works to

				flooring or on the walls or the vendor has to lay the electrification cable.	be done as per need in the lab of each school.
10			Point no.2	Please clarify what type of security measures to be followed: 1.fixing of Grill gate or 2.fixing of Alarms or 3.fixing of Access control 11systems in the lab.	Physical security means provision of overall security of the lab as it is to be owned by the bidder himself for a period of 5 years.
11		Page 15	Internet bandwidth	The department can allow dial up connectivity in the places wherever the broad band service is not available.	Dial up connectivity will be allowed in such areas of the state where Broad band is not provided by any of the service providers
12		Page 23	Resource management (last para)	Kindly elaborate the details to be included as part of the physical security plan. What are the basic threats which we are likely to face. Kindly intimate. Why is the bidder required to provide security when GoCG may provide its own security. Kindly clarify.	Physical security plan includes the overall security of the lab. The possible threats may be burglary, theft etc.
13		Page 43	Commercial evaluation. Para 2	Request that the technical evaluation and the financial evaluation be separate. The bidders who are technically qualified can be processed to other stage. The bidder who is L1 can be awarded the contract. This practice has been followed by other states too, kindly consider.	Not Accepted
14			Organizational capabilities Point 2	Maximum of 5 marks should be awarded if the bidder has experience in maximum 2 languages. If a bidder has capacity to develop 2 languages, it can be considered that the bidder can develop content in other languages too. Even if the bidder was a part of consortium doing this	Not Accepted . It is clarified that Consortium is not allowed

				activity, it should be considered as the activity will ne shared among consortium partners. Kindly consider.	
15		Page 44	Financial strength of bidder. S.No.6	Why is the bidder required to showcase turnover from computer aided education alone. Why is the total turnover of the bidder not being considered for the bid. The turnover from computer aided education rests with very few companies which limits the participation of the number of bidders in the bid. The organization can also be evaluated through net worth and total turnover, kindly relax the criterion so that the total turnover of the bidder is considered for evaluation.	Project is for computer education in schools. So the suggestion is not accepted.
16			Implementation of computer education program in 800 High and Hr.sec. schools in CG.	The bid has 800 schools to offer. Bids from other states such as Gujarat and Andhra Pradesh have been split zone wise with restriction on number of zones awarded so that implementation is completed as per schedule and to avoid the same company getting all schools. CG can follow the same and split the project into 4 zones of 200 schools each. The dept. can also offer maximum 2 zones per bidder to ensure that the same company is not implementing all the schools and faster implementation can be assured.	Not Accepted

17	Everonn Education Ltd.	Page 13	Design of comp. lab (point no. 1)	Requesting to clarify mechanical works.	Mechanical work includes work which need welding, fixing etc., needed for physical security
18		Page 15	Testing and commissioning	Please clarify on physical security.	Physical security as clarified in query no.10
19		page No-33 &34	Technical Bid	Requesting to clarify the documents to be submitted as documents are repeated e.g. Manufacturers authorization form in qualification and technical bid.	Not Accepted.
20		Page 34	Commercial bid	Only price schedule is available in the tender. But here it is asked to submit appendix 11 and 12 whereas it is not available in the tender.	Appendix not required, only information is to be given
21		Page 35	First para	The documents related to equipments would be enclosed in the technical bid. Please clarify what are the other documentation to be enclosed.	No other documents required. Description of equipments with special features needs to be distributed at the trainings.
22		Page 89	Item-computer server/host	Please clarify whether the technology is client server or sharing technology.	Clarified as query no.02
23		Page 90	<u>Generator</u>	2.3 KVA of genset is available only.....GOEM. 2.3 KVA genset capacity isfor shared computing technology whereas..... client server technology. 2.3 KVA capacity is sufficient. Kindly clarify.	Minimum has been specified. Bidders are free to give highest rating based on other SLA parameters.
24			projector	please clarify the contrast ratio and kindly provide us a detailed spec on projector.	Clarified as point no 49 in the corrigendum.
25		Page 91	Technical specification	Please provide the size of the room.	The room size in the schools vary as per the building structure and arrangement. The

					average room size will be 15×20 =300 sq.ft.
26			Power supply	Kindly clarify whether the power supply in the schools are single phase or three phase as gensets has different values in each mode.	Power supply—single phase in schools. Power supply is to be maintained by the bidder.
27		Page 97	Special information 4a and 5a	Both the format have the same content, requesting to merge the format and make a single format.	The two formats 4a and 5a are for different informations.
28			Gen.query	Please provide the details of the no. of districts and the list. of schools.	The state has 20 Education districts. list of 1900schools will be provided after the commercial bid.
29			Gen.Query	Kindly give us the details about approximate room size, which would be helpful for us to calculate the interior cost.	Room size- as given in clarification to query no.25
30		Appendix	-	No template for appendix 1 to 12 is available in the tender.	N0 specific formats prescribed. Information to be given
31			Point no.5	The inception of ICT projects (CEP/CAE) in govt. schools has started only from 1999,we feel that companies having experience from 1999 to till date should get the full 10 marks. <i>Suggestion: minimum 5 years of existence would be awarded 5 marks and for every additional 1 year, one mark will be awarded to a maximum of 10 marks. since this is a govt project the no. of years of operation should be considered and subjected only from similar govt. school projects.</i>	Suggestion not accepted

32			Point no.6	The above said methodology means the bidder shaving average turnover of Rs. 120 cr. In last three years from CEP/CAE as on 31st march2009 would be awarded full 15 marks. <i>Suggestion: The dept. can amend this criteria as the companies having 60 cr. Of average turnover can get 7.5 marks and from thereon 2.5 marks would be allotted from every additional 10cr of average turnover from last three FY.</i>	Suggestion not accepted
33	Educomp solutions Ltd.	Page 13	Design of comp. lab (point 1)	Dept. is requested to provide with a list of schools along with the nature of work to be carried out at the designated room.	Civil works-clarification as given in query no.09.The list of schools will be provided at a later stage to the successful bidder.
34			Point 2	Dept is requested to clarify.	Clarification as given in query no.10
35		Page 15	Internet bandwidth	Dept is requested to provide the specifications of the broadband.	broadband-- the recommended speed is 256 Kbps.)
36		Page 17	Training of govt. teachers from state schools	Pls clarify the following: a. Training of Govt./teachers will be at schools itself or at one place dist/block wise. b. Is the training continuously for 15 days or it has to be segregated and made in all 15 days in a year. c. it is not mentioned whether dept will provide syllabus or we have to develop it. d. We understand the TA/DA of the teachers will be borne by the dept.	A .Teacher trainings will be held at DCEC centers b. Teacher training will be of 2 weeks duration. c. Syllabus provided in the tender document. d. TA/DA will be paid by the bidder as per norms prescribed by the dept. <u>TA/DA rules:</u> DA- 1.Lecturer (Pay scale-5500-9000 &6500-10500) Ordinary rate per day- Rs. 60=00

					<p>special rate per day- 95=00.</p> <p>2. Shiksha karmi-1 (Pay Scale-5300-8500)</p> <p>Ordinary rate per day- Rs.48=00 and special rate per day- 72=00.</p> <p>TA- will be paid as per actual expense (Ticket to be produced) by bus/taxi/train, if the headquarter distance of the trainee is more than 08 kms.</p>
37		Page 31	Bid documents	<p>The formats for the following are not given:</p> <ol style="list-style-type: none"> 1.Profile of the bidder. 2.Template for audited annual financial results. 3.Manufacturers authorization form 4. reference list of major clients. 5. Qualification and deployment schedule 6.Statement of deviation from requirement specifications 7.statement of deviation from tender terms and conditions. 8.statement of commercial deviation 9 template for quarterly guaranteed payment. 	<p>Bid documents- the bidder is to give the required information. No format specified</p>
38		Page 44	Project experience (point 4)	<p>We assume that this is a typographical error hence it may be read as: For on state 02 marks, for additional state .1 marks will be awarded to a maximum of 05 marks. Kindly confirm.</p>	<p>Suggestion not accepted.</p>
39		Page 90	Projector with screen	<p>We suggest the dept to take 15 pin VGA connectors which are easily available and easily maintained DVI-1 terminal with HDCP</p>	<p>Suggestion not Accepted.</p>

40			generator	Please provide the specifications for the genset. We also understand that the gensets should be of silent type as per the CPCB norms so as to conserve environmental interests.	Gensets with Environmental clearance and silent type has been asked.
41			software	We suggest the dept that Antivirus for McAfee/Norton/Av or equivalent. This will ensure the wider participation.	Suggestion not accepted
42			Electric sub-meter	Please confirm on the brands approved by govt of CG if any.	Electrical submeter-- brand approved by GoCG.
43	NIIT	Page 5; Clause 1	The invitation to bid is for "Design, Site Preparation, supply, installation,....	What does it mean by "Design, Site Preparation?
